Subject: Response to the request

Hello,

I am writing this email to share my opinion about English language assessment exams. Regarding OET exam my opinion is if someone fails in one subtest they should be allowed to retry only that subtest rather than sitting the whole exam. For IELTS the overall band score 7.0 and any one of the individual band could be 6.5 and the rest three at least 7.0.

Kind regards
Afroza Haque
