To whom it may concern,

I am writing to you on behalf of the Australian Dental and Oral Health Therapists' Association (ADOHTA), which is the peak representative body for Oral Health Practitioners (OHPs) that includes dental hygienists, dental therapists, and oral health therapists.

The ADOHTA thanks the Australian Health Practitioner Regulation Agency (AHPRA) for providing the opportunity to review the proposed National Board guideline for informing a National Board about where you practise.

We found the documentation was clear and easy to understand, and make no further suggestions to support its implementation.

Yours sincerely

**Tan Nguyen**
