### Call for applications: Model of assessment for internationally qualified nurses – Registered Nurse OSCE Examiner

The National Registration and Accreditation Scheme (the National Scheme) regulates more than 740,000 registered health practitioners and over 180,000 registered students across 16 health professions.

The Nursing and Midwifery Board of Australia (NMBA) is calling for applications for appointment to the List of Examiners for the assessment of overseas qualified registered nurses.

OSCE examiners play a vital role in the process of delivering a reliable and fair assessment process. Examiners will utilise their professional nursing knowledge of the nature and culture of the profession in order to test candidate knowledge and proficiency in an exam setting. The OSCE for IQN is a high stakes evidence based regulatory exam set at the RN graduate level.

The NMBA is seeking applications from people who have:

- Current, registration as a registered nurse with the NMBA
- Masters level qualification or above
- Clinical nursing experience &/or clinical nursing supervision experience within Australia for a minimum of five (5) or more years
- Current clinical nursing practice &/or clinical nursing supervision role.

The following examiner skills are desirable, however not mandatory:

- Nursing &/or health professions education experience &/or qualification
- Nursing &/or health professions OSCE examination experience

Registered nurses who are Aboriginal and/or Torres Strait Islander are warmly invited to apply.

Exams are routinely scheduled throughout the year, subject to facility availability and are held in Adelaide. Examiners will be required to travel, with expenses covered.

Applications will be assessed by the Nursing and Midwifery Accreditation Committee and appointments will be on an ongoing basis.

More information about the role, eligibility requirements and the application process can be found in the Position description and application form.
