Subject: Consultation open: Review of the shared Code of conduct | invitation to participate

Dear Stakeholder

The Medical Radiation Practice Board of Australia in collaboration with eleven other National Boards is consulting on a proposed revised shared Code of conduct (revised Code) and is inviting you to give feedback on the Boards' proposals.

Background

The following 12 National Boards share the Code and are taking part in this review:

- Aboriginal and Torres Strait Islander Health Practice Board of Australia
- Chinese Medicine Board of Australia
- Chiropractic Board of Australia
- Dental Board of Australia
- Medical Radiation Practice Board of Australia
- Occupational Therapy Board of Australia
- Optometry Board of Australia

- Osteopathy Board of Australia
- Paramedicine Board of Australia
- Pharmacy Board of Australia
- Physiotherapy Board of Australia
- Podiatry Board of Australia

The shared Code of conduct (most in an identical form and some with minor variations) sets out the standards of professional conduct the National Boards expect and is used by Boards to evaluate practitioners' conduct. Practitioners have a professional responsibility to be familiar with and to apply this code.

Participating in the consultation

As an important stakeholder the Board invites you to review the revised shared Code of conduct and tell us what you think by visiting the [Ahpra consultations web page](#) which includes:

- a short, narrated PowerPoint presentation about the review of the shared Code of conduct
- Code of conduct consultation paper
- the online submission form (the preferred submission method), and
- a submission template (word document).

Making a submission

Please provide your feedback by:

- Responding to the consultation questions in the online submission form using this [link](#). This is the preferred option.
- If you are unable to complete the online submission form you can email your submission using the attached Word document with 'Code of conduct | Public consultation' in the subject line to ahpra.consultation@ahpra.gov.au Please note we can't accept PDF documents.

Consultation closes **COB Tuesday 6 July 2021**.

If you have any questions about this consultation, please email ahpra.consultation@ahpra.gov.au
